## Board of Education Adopts \$497,704 Budget for 1945-6

A school budget of \$497,704 was adopted by the Board of Education on Thursday evening, June 28. This is an increase of \$102,287 over last year's budget. The increase is due to an anticipated increase in attendance at the schools, regular increases and war bonus, projected construction of a \$90,000 swimming pool at the high school, improved health service through employment of an additional full-time school and public health nurse, and improved librarian and aid service by the employment of an additional elementary school librarian. Average daily attendance in the school district for the school year 1944-45 was 2811. For the coming school year 1945-46 average daily attendance of 2898 is anticipated.

The school district expects to receive about \$90,000 of additional income from the state in attendance money due to increased attendance and from increased revenues provided for the schools by legislation during the current school year. Additional income is also expected to accrue to the district through, in lieu of, tax money from the F.H.A. The tax rate to be assessed by the county is anticipated to remain at \$1.58 the same as it has been during the current school year.

Among other items of business conducted at the Board of Education meeting was the approval of a contract between the school district and Messrs. P. L. Dragon and C. R. Schmidts as architects for the swimming pool which is now under consideration. Estimated cost of the pool will be \$90,000. Pumping, heating, and filtering equipment will cost \$15,000. The balance of \$75,000 will cover all construction costs.

A federal offer of funds for the Albany Child Care Centers was accepted by the Board of Education. The grant allots \$10,878 of federal funds for maintenance, operation and equipment of the Child Care Centers for a three month period from July 1 to September 30, 1945. This money together with fees paid by the parents will meet the expenses of the centers.

Miss Clarice Owen was hired as librarian for Marin Schill. Her duties will include cataloging and care of visual aid materials for Marin School.

Mr. T. Ellis Johnson was approved as assistant custodian for Albany High School.

It was announced that Miss DeVore, now serving in the Women's Army Corps, expects to return to the high school staff in September. Miss Watt, teacher of French and English, has been on leave for one year. She is a corporal in the WAC's and is stationed with the 107th WAC detachment at Fort Mason in San Francisco.

## Eagles Act to Make F.D.R. Birth National Holiday

Designation by Congress of the late President Roosevelt's birthday, January 21, as a national holiday, was urged in a resolution unanimously adopted Monday night by Bayview Aerie, Fraternal Order of Eagles, at their regular meeting.

The resolution declared that the four-term president embodied "during the most critical period in modern history the hopes, the aspirations and the ideals of his fellow countrymen and the oppressed peoples of the entire world." The measure further stated that Roosevelt "is assured an immortal place in world history, and will earn the gratitude of American generations yet to come, and the esteem and affection of free peoples in all lands, bringing everlasting glory to this great nation."

Copies of the resolution were sent to U. S. Senators Hiram W. Johnson and Sheridan Downey of California and to Congressman John Tolan.

A bill requesting that Roosevelt's birthday be observed as a national holiday, introduced by Senator Sheridan Downey of California, is now pending in the Senate.

The late President was a life member of Buffalo (N. Y.) Aerie, and was closely associated with the Fraternal Order of Eagles in its campaign for state old age pension laws and the national Social Security Act. Roosevelt as governor of New York signed the Eagle-sponsored state old age pension law, and as President he presented the Eagles with the pen with which he signed the national Social Security law.

Reviewing the late President's achievements, the resolution stated:

"President Roosevelt assumed office during the depression, one of the great domestic crises in the nation's history, and by wise, courageous and humanitarian leadership restored confidence and faith in America. . . (he) championed the cause of the organized workers of America and ushered in a new era of well being for labor and the common man. . . (he) espoused and signed the National Social Security Act generally recognized as the greatest social measure in history, after a 14-year educational campaign by the Fraternal Order of Eagles in behalf of such legislation.

"President Roosevelt aroused the nation against the menace of Fascism to free institutions and to our very existence, and led America and its Allies, the United Nations, in the mightiest struggle for human freedom in all world history, his leadership culminating in the unconditional surrender of Germany and in decisive victories over Japan.

"President Roosevelt charted a course for future world peace based on international good will, economic cooperation, religious freedom, and a world peace organization, thereby embodying during the most critical period in modern history the hopes, the aspirations and the ideals of his fellow country-

men and the oppressed peoples of the entire world."
